

MOBILE MEMORY CAFÉS

STONERIDGE
AT CENTERRA™

An Integral Senior Living Community

ABOUT OUR PARTNERED MOBILE MEMORY CAFÉS WITH DEMENTIA TOGETHER

Mobile Memory Cafés are themed social gatherings where we reminisce, play games, laugh, listen to music, and sing. These events help people discover aspects of joyful living even when dementia is part of the journey. The mobile memory cafés held within the senior living communities, welcome both residents and members of the local community to attend.
